

VERITAS CHRISTIAN ACADEMY *of* HOUSTON

HOME SCHOOL ASSISTANCE PROGRAM

Veritas Christian Academy (Veritas) Home School Assistance Program (HSAP) is designed to support parents who want to provide a Christ-centered Classical education at home for children in Grades K-8. Veritas makes every effort possible to support parents in achieving a quality education for students not attending a full, in-residence program. We provide support in a variety of ways including information on selecting and ordering curriculum, access to on-campus classes and testing services.

- **ON CAMPUS CLASSES**

Home schooled students are invited to participate in a range of on-campus classes including core subjects, foreign language, P.E., liberal arts and athletics. Offers will be subject to availability of space. **For Athletic participation, students must be enrolled in an academic course and fulfill eligibility requirements.** Applicants will be asked to complete an application and provide a pastor's recommendation. Additionally, applicants may be required to undertake an academic assessment in the subject area(s) prior to acceptance. While on campus, families and students are required to abide by the same policies and procedures as full time families and students (uniform, behavior, attendance, homework, etc.) To facilitate this, all applicants will be asked to familiarize themselves with our Parent Student Handbook that is available on our website. Both parent and student will be asked to sign a form agreeing to abide by its policies.
